

**THE BOARD OF TRUSTEES OF BAY MEDICAL CENTER
REQUEST FOR PROPOSALS FOR
THE DIAGNOSTIC IMAGING RENOVATION**

CLOSING DATE: June 2, 2021 – 2:00 p.m. CST
(Note: This is a new Closing Date)

ADDENDUM NO. 4

The following revisions are made to the request for proposals. Contractors shall acknowledge receipt of this addendum by email or inserting its number and date in the submissions to Owner (i.e. Bid Form).

BID EVALUATION SCHEDULE

Due to possible changes to the specifications of this project from an AHCA final design review scheduled in May and to account for the current volatile market in the costs and availability of labor and materials, The District is delaying the bid closing date to minimize risks to the District and any prospective bidder. The following changes are made in the bidding schedule (revisions are in **bold and double underlined**)

Advertisement	March 16, 2021
Mandatory Pre-Bid Inspection	March 24, 2021, 1:00 pm CST
Proposal Submittal Deadline	<u>June 2, 2021, 2:00 pm CST</u>
Recommendation of Selected Firms	<u>June 8, 2021</u>
Contract Award	After Selection

Short listing and follow up presentations are not expected to be needed. Proposers should be prepared to answer follow up questions by phone as needed on **Friday, June 4, 2021**. If presentations are needed, the District will notify selected proposers of the timing and location of the presentations.

ALL OTHER REQUIRMENTS OF THE REQUEST FOR PROPOSALS REMAIN THE SAME.

Respondents should contact Dan Morgan, Special Projects, with any questions about this Addendum No. 4, any previous addenda or any other technical or procedural questions about the service or proposal requirements. He can be reached at (850) 818-0564 or dmorgan@bayhealthfoundation.com.
